Airing Their Titles.

Chase and Wiggin, both of them famous stutters, belonged to the militia in the old days when everybody in New Hampshire was in the militia, and the organization was mainly fictitious. Chase and Wiggin happened to be ranking captains in one of these paper regiments at a time when the colonel of the regiment died and the major moved out of the State. In due course of official red-tape Wiggin received his commission as colonel of the regiment and Chase as major. Both men were considerably "set up" by their new titles, and naturally felt like apprising the whole village of the promotion; but they were dignified men, and of course didn't care to go around telling everybody, so Chase started out, and went from one store to another, poking in his head just far enough into each door to say:

"H-h-h-ey you seen C-c-c-colonel J-j-j-jack Wiggin?"

Nobody had seen him, but every body caught the new title.

And presently Wiggin started in a similar pilgrimage through the town. Thrusting his head through the door of the first grocery store he came to, he stuttered out:

"H-h-h-a-a-a-ve you seen M-m-m-major Jim Ch-ch-ch-a-a-a-use?"

Of course they had seen Major Jim Chase, and so informed him, and by the time he overtook the major at the end of the village and had congratulated him warmly the appointments had been, so to speak, officially gazetted throughout the town of Exeter.—Boston Record.

READ THIS!

MESSRS. E. O. HALL & SON, LIMITED. Gentlemen:—I have ed your 16in. Steel Breakers for seven years, and your 16in. Breakers for a year, and have been well pleased with them. They are good strong Plows and turn the sod better than any other plows I ever used, and I have used a good many since 1882. I have used the 16in. Steel Breaker for several weeks with only five mules, and plowed from one acre and a half to two acres a day. I used the same number of animals for the 13in. as for the 16in. Breakers. I plowed up a grove of sumach roots and lots of guava this year and have broken but one or counter and a pair of handles. Every one who has used them on Hawaii has been well pleased with them.

(Signed) Yours truly, R. A. LYMAN, Paauhau.

The above is but one of many letters we have received from all parts of the Islands, speaking in the highest terms of Hall's Steel Breakers and Plows of all sizes.

We have just received, direct from the Moline Plow Co. a large invoice of Plows, making our assortment complete. Including Breakers and Plows of all sizes and kinds, Extra Shears, Bolts, Coulters, Handles and Beams.
